Symbols and Numerics

- = (equal sign), 240
- * (multiplication sign), 240
- + (plus sign), 240
- 3-D effects, 79

A

- absolute cell references, 256–257
- Address Book (Entourage)
 - contact group, creating, 384–385
 - contact group, deleting, 393
 - contact information for yourself, adding, 380–381
 - contacts, adding new, 378–379
 - contacts, deleting, 392–393
 - contacts, editing, 382–383
 - contact's address, copying, 389
 - contact's address, mapping, 386–387
 - e-mail correspondent, adding an, 379
 - importing messages from another address book program to, 379
 - preview pane, 390–391
 - selecting contact address from, 334–335
 - sending message from, 335
 - Web page, displaying a contact's, 387
- all-day events, creating, 366–367
- animation, 314–319
- Applications folder, 4
- appointments
 - changing, 363, 365
 - creating, 362–363
- arithmetic formulas (Excel), 240
- attachment
 - adding, 336–337
 - opening, 348
 - saving, 349
 - virus in, 349
- AutoCorrect tool (Word), 136–137
- AutoFill (Excel), 206, 207
- AutoFilter (Excel), 214–215
- AutoFormat feature
 - Excel, 220–221
 - Word, 150–151
- automatic appearance at startup
 - of Microsoft Office 2008, 5
 - of Project Gallery, 21
- automatic message checking, changing time for, 343
- AutoSum feature (Word), 158–159
- AutoSum formulas (Excel), 246–247
- AutoText feature (Word), 88–89

B

- background
 - changing, 300–301
 - hiding, 75

- bar tab, 102
- Bcc (blind courtesy copy), 335
- Blank layout (PowerPoint), 291
- boilerplate text, 137
- bold text, 48
- borders
 - Excel, 236–237
 - Word, 110

bullet

- custom character or picture as, 299
 - sizing, 299
 - style, changing, 298–299
- bulleted lists, 84–85, 277

C

Calendar

- all-day events, creating, 366–367
- appointments, changing, 363, 365
- appointments, creating, 362–363
- daily repeating appointments, creating, 364
- daily repeating tasks, creating, 372
- date, navigating to a specific, 361
- inviting people to a meeting, 368–369
- meeting invitation, responding to, 369
- Mini Calendar, navigation with, 360
- Month view, 361
- monthly repeating appointments, creating, 365
- monthly repeating tasks, creating, 373
- navigating, 360–361
- repeating appointments, creating, 364–365
- repeating tasks, creating, 372–373
- tasks, changing, 371
- tasks, creating, 370–371
- tasks, displaying only incomplete, 375
- tasks, marking as complete, 374
- tasks, reminder for, 371
- Week view, 361
- weekly repeating appointments, creating, 365
- weekly repeating tasks, creating, 373
- Work Week view, 361
- yearly repeating appointments, creating, 365
- yearly repeating tasks, creating, 373

cell address (Excel), 182

cells (Excel)

- deleting, 199
- deleting data in, 198, 199
- deleting formatting in, 199
- editing data in, 186–187
- entering data into, 184–185
- overview, 182

cells (Word tables)

- merging, 152–153
- selecting, 144–145
- splitting, 154–155

- character spacing
 - PowerPoint, 297
 - Word, 105
- chart sheet, 261
- charts
 - creating, 260–261
 - deleting, 271
 - gridlines, 265
 - horizontal gridlines, 265
 - labels, adding, 263
 - legend, 264
 - moving, 270, 271
 - objects, formatting, 266–267
 - objects, selecting, 267
 - in PowerPoint, 280–281
 - resizing, 271
 - styles, applying, 268
 - titles, adding, 262
 - type of chart, selecting a different, 269
 - vertical gridlines, 265
- circle, drawing a, 61
- clip art. *See also* graphics
 - finding, 63
 - inserting, 62–63
- closing documents, 38–39
- color
 - font, 50–51
 - scheme, creating a custom, 305
- column (Excel)
 - described, 182
 - freezing, 231
 - hiding, 229
 - inserting, 197
 - selecting entire, 203
 - width, changing, 224–225
- columns in Word tables
 - deleting, 147
 - displaying text in, 118–119
 - inserting, 146, 147
 - width of, 148, 149
- comma-separated values (CSV) file, 379
- comments, 95
- comparison formulas (Excel), 241
- Comparison layout (PowerPoint), 291
- compatibility of documents with earlier versions of Office, 40–41
- compatibility of fonts with Office for Windows, 47
- concordance file, 179
- contact group
 - creating, 384–385
 - deleting, 393
 - sending e-mail message to, 385
 - setting up a meeting with, 385
- cover pages, 162–163
- CSV (comma-separated values) file, 379
- custom borders (Excel), 237

- custom list, 207
- customizing buttons on toolbars, 9

D

- daily repeating appointments, creating, 364
- daily repeating tasks, creating, 372
- date field (Word), 90–91
- decimal tab, 102
- default tab, 103
- Dictionary tool (Word), 124–125
- Dock
 - adding an office program to, 14
 - quitting an Office program using, 15
- documents
 - closing, 38–39
 - compatibility with earlier versions of Office, 40–41
 - editing, 24–27
 - formatting, copying, 54–55
 - grammar errors, checking for, 32–33
 - opening, 23
 - previewing, 37
 - printing, 36–37
 - saving, 22
 - searching in, 28–29
 - spelling errors, checking for, 32–33
 - Web page, saving a document as a, 34–35
- Draft view (Word), 11
- drop shadows, 111

E

- Elements Gallery, 6
- e-mail. *See* Entourage
- endnotes, 170–171
- Entourage. *See also* Address Book (Entourage)
 - attachment, adding, 336–337
 - attachment, opening, 348
 - attachment, saving, 349
 - attachment, what to do if virus is in an, 349
 - automatic message checking, changing time for, 343
 - Bcc (blind courtesy copy), 335
 - contact address, selecting a, 334–335
 - folder, creating, 350
 - folder, deleting, 351
 - folder, moving a message to a, 351
 - folder, renaming, 351
 - formatting for message, 341
 - forwarding an e-mail message, 346–347
 - junk e-mail messages, blocking a person who sends you, 354–355
 - junk e-mail messages, setting protection level for, 352–353
 - offline, composing messages, 333
 - overview, 333
 - priority level of message, setting, 340
 - reading e-mail messages, 343

Index

- receiving e-mail messages, 342
- redirecting an e-mail message, 347
- replying to an e-mail message, 344–345
- rules to filter incoming messages, creating, 356–357
- sending an e-mail message, 332–333
- signature, adding a, 339
- signature, creating a, 338–339
- spam, 352–355

envelopes, 172–173

= (equal sign), 240

Excel

- AutoFilter feature, 214–215
- AutoFormat feature, 220–221
- borders and shading, adding, 236–237
- cell, editing data in a, 186–187
- cell, entering data into a, 184–185
- cell address, 182
- cells, 182
- cells, deleting, 199
- cells, deleting data in, 198, 199
- cells, deleting formatting in, 199
- centering text across multiple columns, 233
- column width, changing, 224–225
- columns, 182
- columns, freezing, 231
- columns, hiding, 229
- columns, inserting, 197
- custom borders, 237
- displaying a hidden row or column, 229
- Format dialog, 266, 267
- Formatting Palette, 267
- Formula bar, 183
- gridlines, making borders stand out from, 237
- merging two or more cells, 232–233
- new documents, 19
- number format, applying a, 218–219
- range, 182
- row height, changing, 226–227
- rows, 182
- rows, freezing, 230, 231
- rows, hiding, 228
- rows, inserting, 196, 197
- spreadsheets, 180
- workbook, 182
- worksheet inserted into Word document, 143
- worksheet tab, 182
- worksheets, adding blank, 191
- worksheets, copying, 192–193
- worksheets, creating, 190–191
- worksheets, deleting, 194–195
- worksheets, hiding, 195
- worksheets, layout of, 182
- worksheets, moving, 192–193
- worksheets, navigating, 188
- worksheets, renaming, 189
- wrapping text within a cell, 234–235

F

- financial functions (Excel), 245
