Making your iPhone 3G discoverable	44
Pairing your iPhone 3G with a Bluetooth headset	45
Unpairing your iPhone 3G from a Bluetooth headset	47
Turning Off Data Roaming	48

## chapter 3

<b>How Can I Make the Most of Web Surfing with My iPhone 3G?</b>	<b>50</b>
Understanding Internet Access Networks	52
Connecting to a Wi-Fi Network	53
Making your first connection	53
Connecting to known networks	55
Stopping the incessant Wi-Fi network prompts	55
Connecting to a hidden Wi-Fi network	56
Turning off the Wi-Fi antenna to save power	57
Touchscreen Tips for Web Sites	58
Filling in Online Forms	60
Using Bookmarks for Faster Surfing	62
Adding bookmarks by hand	62
Getting Firefox bookmarks into your iPhone 3G	63

Managing your bookmarks	64
Retracing your steps with the handy History list	65
Maintaining your privacy by deleting the History list	66
Opening and Managing Multiple Browser Pages	67
Changing the Default Search Engine	68
Viewing an RSS Feed	69
Dialing a Phone Number from a Web Page	70
Setting the Web Browser Security Options	71

## chapter 4

<b>How Do I Maximize E-mail on My iPhone 3G?</b>	<b>74</b>
Managing Your iPhone 3G E-mail Accounts	76
Adding an account by hand	76
Specifying the default account	79
Switching to another account	79
Temporarily disabling an account	80
Deleting an account	81
Managing Multiple Devices by Leaving Messages on the Server	81
Fixing Outgoing E-mail Problems by Using a Different Server Port	83
Configuring Authentication for Outgoing Mail	84
Configuring iPhone 3G to Automatically Check for New Messages	85
Displaying More Messages in Your Inbox Message List	86
Processing E-mail Faster by Identifying Messages Sent to You	87
Placing a Phone Call from an E-mail Message	88
E-mailing a Link to a Web Page	89
Setting a Minimum Message Font Size	90

Creating a Custom iPhone 3G Signature	91
Configuring Your Exchange Active Sync Settings	92

## chapter 5

### How Can I Take Control of Syncing My iPhone 3G? 94

Connecting Your iPhone 3G to Your Computer	96
Syncing Your iPhone 3G Automatically	96
Bypassing the automatic sync	97
Troubleshooting automatic syncing	98
Syncing Your iPhone 3G Manually	100
Syncing Information with Your iPhone 3G	100
Syncing your contacts	101
Syncing your calendar	103
Syncing your e-mail account	104
Syncing your bookmarks	105
Merging data from two or more computers	107
Handling sync conflicts	108
Handling large iPhone 3G-to-computer sync changes	108
Replacing your iPhone 3G's data with fresh info	110
Syncing Media with Your iPhone 3G	111
Syncing music and music videos	111
Syncing podcasts	115
Syncing audiobooks	117
Syncing movies	118
Syncing TV show episodes	119
Syncing computer photos to your iPhone 3G	121
Syncing iPhone 3G photos to your computer	123

Preventing your iPhone 3G from sending photos to your computer	126
Syncing media with two or more computers	129

## chapter 6

### How Can I Get More Out of My iPhone 3G's Media Features? 130

Creating a Custom Menu Bar for the iPhone 3G's iPod	132
Getting More Out of Your iPhone 3G's Audio Features	134
Using audio accessories with your iPhone 3G	134
Creating a favorite tunes playlist for your iPhone 3G	135
Rating a song on your iPhone 3G	136
Browsing iPhone 3G music with Cover Flow	138
Answering an incoming call while listening to music on the headset	139
Creating a custom ringtone for your iPhone 3G	139
Creating a playlist on your iPhone 3G	142
Customizing your iPhone 3G's audio settings	143
Getting More Out of Your iPhone 3G's Video Features	145
Playing videos, movies, and TV shows	145
Playing just the audio portion of a music video	147
Playing iPhone 3G videos on your TV	148
Customizing your iPhone 3G's Video settings	149

Getting More Out of Your iPhone 3G's Photos	149	Assigning Web addresses to a contact	168
Scrolling, rotating, zooming, and panning photos	150	Assigning physical addresses to a contact	169
Adding an existing photo to a contact	151	Creating a custom label	170
Taking a contact's photo with the iPhone 3G camera	152	Adding extra fields to a contact	172
Sending a photo via e-mail	153	Keeping track of birthdays and anniversaries	173
Sending a photo to another mobile phone	154	Add notes to a contact	174
Receiving a photo on your iPhone 3G	156	Creating a new contact from an electronic business card	175
Sending a photo to your Flickr account	156	Delete a contact field	176
Starting a photo slide show	156	Delete a contact	177
Creating a custom photo slide show	157	Tracking Your Appointments	177
Playing a slide show with background music	157	Adding an appointment to your calendar	177
Deleting a photo	158	Editing an existing appointment	179
Watching YouTube Videos	158	Setting up a repeating event	180
Finding a YouTube video	159	Converting an event to an all-day event	181
Saving a video as a favorite	160	Adding an alert to an event	182
Sending a link to a video via e-mail	160	Setting a birthday or anniversary reminder	184
Customizing the YouTube menu bar	161	Displaying a list of your upcoming events	184
		Handling Microsoft Exchange meeting requests	185

## chapter 7

### Can I Use My iPhone 3G to Manage Contacts and Appointments? 162

Managing Your Contacts	164
Creating a new contact	164
Editing an existing contact	165
Assigning phone numbers to a contact	165
Assigning e-mail addresses to a contact	167

## chapter 8

### How Can I Use iPhone 3G to Help Organize My Life? 188

Tracking Time with Clocks and Alarms	190
Seeing the time in another city	190
Turning the iPhone 3G into an alarm clock	192
Timing an event with the Stopwatch	195
Setting a countdown timer	196

Finding Your Way with Maps and GPS	197
Displaying your current location	197
Displaying a map of a contact's location	199
Saving a location as a bookmark for easier access	200
Specifying a location when you don't know the exact address	201
Getting directions to a location	202
Getting live traffic information	204
Viewing the Weather Forecast for another City	205
Writing and E-mailing a Note	206
Getting a Stock Quote	208

## chapter 9

<b>How Do I Keep My Life In Sync with MobileMe?</b>	<b>210</b>
From .Mac to MobileMe	212
Understanding MobileMe Device Support	213
Configuring MobileMe on Your iPhone 3G	214
Setting up your MobileMe account on your iPhone 3G	214
Setting up MobileMe synchronization on your iPhone 3G	215
Configuring MobileMe on Your Mac	216
Setting up your MobileMe account on your Mac	216
Setting up MobileMe synchronization on your Mac	217
Configuring your MobileMe Account on Your Windows PC	218
Manually adding your MobileMe e-mail account to Outlook	219

Using Your iPhone 3G to Work with MobileMe Photos	222
Using your iPhone 3G to send photos to the MobileMe gallery	223
Viewing your MobileMe Gallery in your iPhone 3G	225

## chapter 10

<b>How Do I Enhance My iPhone 3G with App Store?</b>	<b>228</b>
Accessing the App Store on Your Computer	230
Downloading free applications	231
Purchasing applications	232
Viewing and updating your applications	233
Moving Apps to Your iPhone 3G	233
Accessing the App Store on Your iPhone 3G	234
Downloading free applications	236
Purchasing applications	236
Updating your applications	237

## chapter 11

<b>How Do I Fix My iPhone 3G?</b>	<b>238</b>
General Techniques for Troubleshooting Your iPhone 3G	240
Troubleshooting connected devices	241
Updating the iPhone 3G software	242
Backing up and restoring the iPhone 3G's data and settings	243
Taking Care of the iPhone 3G Battery	244
Tracking battery use	245
Tips for extending your battery life	245

Solving Specific Problems	247	You have trouble syncing music or videos	251
Your battery won't charge	247	Your iPhone 3G doesn't recognize your SIM card	251
You have trouble accessing a Wi-Fi network	248	<a href="#">Glossary</a>	<a href="#">252</a>
iTunes doesn't see your iPhone 3G	250	<a href="#">Index</a>	<a href="#">256</a>
iTunes doesn't sync your iPhone 3G	251
